In all other cases, a consideration shall be deemed to have been paid or furnished only in such cases where as a direct or indirect requirement or condition of obtaining a chance to win one or more prizes, some or all participants make an expenditure of money or something of monetary value through a purchase, payment of an entry or admission fee, or other payment or the participants are required to make a substantial expenditure of effort; provided, however, that no substantial expenditure of effort shall be deemed to have been expended by any participant solely by reason of the registration of the participant's name, address, and related information, the obtaining of an entry blank or participation sheet, by permitting or taking part in a demonstration of any article or commodity, by making a personal examination of posted lists of prize winners, or by acts of a comparable nature, whether performed or accomplished in person at any store, place of business, or other designated location, through the mails, or by telephone; and further provided, that no participant shall be required to be present in person or by representative at any designated location at the time of the determination of the winner of the prize, and that the winner shall be notified either by the same method used to communicate the offering of the prize or by regular mail.
